Contracting Officer	25X
Subject: Contract	
Gentlemen:	
within the next week. Light Table No Representative. Certain requirements during acceptance tests are of interest. 1. Brightness - The specification	n called out a maximum illumination of 1500
ft lamberts was	required with a design goal of 1800 ft lamberts.
The measured value	ue during acceptance tests was 2500 ft. lamberts.
2. Dimming ratio - specification	required 15 to 1 with no visual flicker.
•	value witnessed by the customer was 250:1
 Uniformity - The Illumination of highest to low 	should not vary more than 10% from the point west level.
The demonstrated measuring technic	uniformity was 2.4% to 5% depending on the que.
also meet or better the required spec Table No. 3 is still about the middle price will be approximately mated in our letter of December 15, 19 is being considered and that our deli-	erformance of Light Table No. 2 and No. 3 will ifications. The schedule for delivery of Light of May. Actual Expenditures beyond the contract this representes an increase as orginally estimeters. We trust that our request for financial helvery of satisfactory equipment will justify fi-
nancial help under this Contract.	25X1
	Very truly yours,
GROUP - 1
